O R D E R

On October 26, 1994, the Commission received a letter from Elizabeth Stephens Bierbauer requesting an extension of time within which to provide information previously requested. KRS 278.020(5) provides that transfer applications be ruled upon by the Commission within a 60 day period unless an extension is mutually agreed upon. The information previously requested by the Commission is necessary for the Commission's review of this application. Thus, the extension of time should be granted.

IT IS THEREFORE ORDERED that, since the Commission and Ms. Bierbauer have mutually agreed to an extension of time, this case is continued generally beyond the 60 day limitation of KRS 278.020.

Done at Frankfort, Kentucky, this 4th day of November, 1994.
